EVERY GIFT HELPS!

Thank you for making an impact.

Mission Statement: Project Just Because helps struggling families in their times of greatest need by supplying basic necessities including warm clothing, food and school supplies. We are dedicated to serving as many men, women and children as possible in a caring and dignified environment. Project Just because fosters a stronger, more empathetic community, by connecting those who want to give with those in need.

Through our 19 year round programs, Project Just Because distributes over \$8 million in goods and services to approximately 40,000 families in need in the Metro-west area and throughout Massachusetts. Our programs include:

- Sponsor a Child's Wish: Families contact us with specific requests that generous donors help make come true. It can be as simple as a new pair of jeans and underwear.
- Warm Clothing: Last year we sponsored over 5,000 people through our Keep a Family Warm; distributing thousands of warm items throughout the fall and winter.
- Holiday/Hospital Program:2016 we sponsored over 15,000 children making wishes come true
- School Supplies: Our Back to School Program provides 2,000 children with new backpacks and supplies so that they have the confidence to be ready and successful at school.
- Food: In addition to feeding local families year round through the Hopkinton Food Pantry, last year we distributed Thanksgiving meals to over 440 Hopkinton families.
